BEARS ARE BACK

BEAR WOOD OPENS 25 JULY

BEAR WOOD AT WILD PLACE PROJECT...

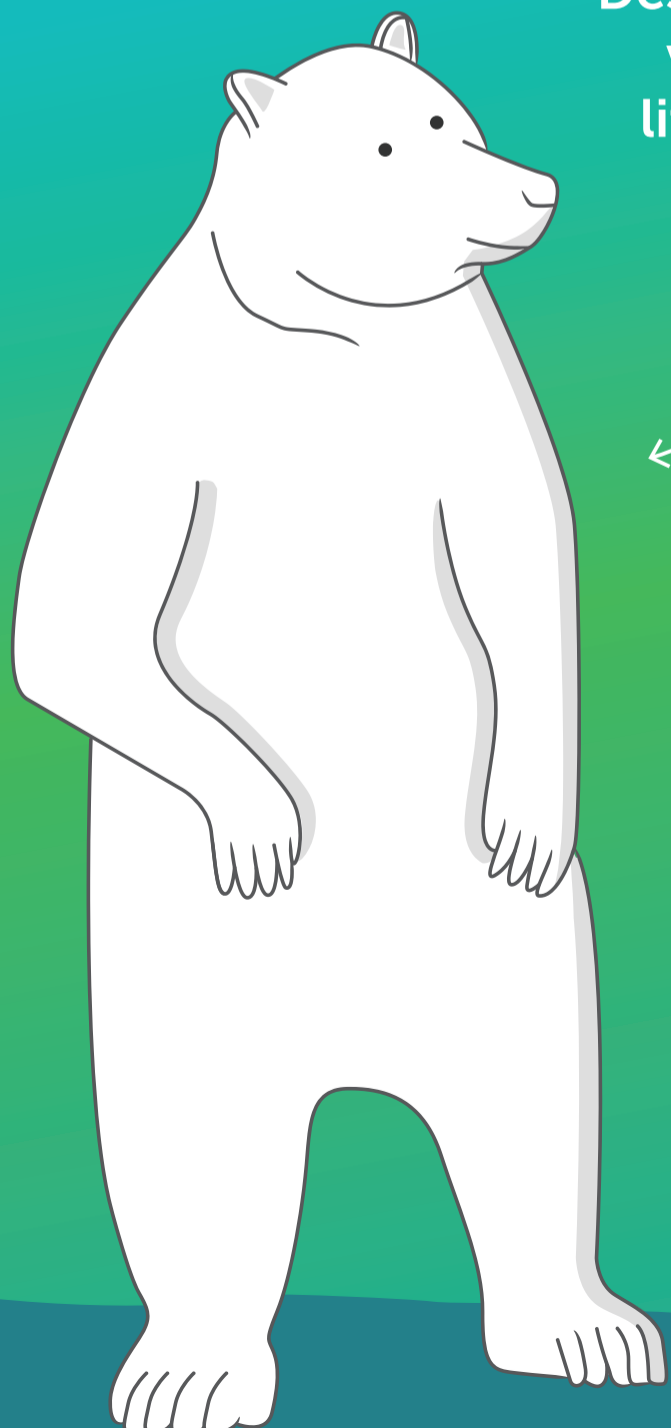

The inspiration behind our little bear trail

We all love going on a bear hunt, and this summer we're celebrating with our friends at Wild Place Project. They're opening an exciting new exhibit called Bear Wood on 25 July. You'll be able to travel back in time 10,000 years when bears lived right here in and around Bristol.

When you go down to Wild Place you'll be able to see bears, wolves, wolverines and lynx too... as well as giraffes, cheetahs, and meerkats!

Complete the trail and draw a bear-illiant design for a chance to win. Prizes include four family tickets to **Wild Place Project** (near junction 17 of the M5).

Design your very own little bear!

For competition details, terms and conditions go to bristolshoppingquarter.co.uk/bears and for Bear Wood see wildplaceproject.org.uk

We'd like to give a BIG bear hug to all our friends who have supported this trail!

Welcome to the Little Bear Trail

There are 24 little bears hiding in the shops waiting for you to discover them.
